November 1, 2005

Le Baron Outdoor Products have been a longstanding customer of Acme Shelving for over 25 years. They have provided our company with a vast variety of products. The management have given us outstanding service and more than fair value for all the products purchased over the course of our affiliation. We value working with suppliers like Acme, and we look forward to a continued relationship.

Sincerely Yours,

A handwritten signature in blue ink, appearing to read "S. Baron", is written over a horizontal line.

Steven Baron
President
